On Orphan Sunday, we celebrate family preservation, foster care, adoption, and coming alongside the children and youth in our community who need a helping hand.

Could you help?

- Children abandoned or neglected by parents who aren't able to care for them.
- A family who is going through a temporary crisis.
- A single mother or father who need a coach or mentor.
- Grandparents who are raising children and need respite.
- Teens nearby who need tutoring, a mentor who would spend time with them, or people to teach basic life skills.

Who was your safety net of love & care when you were a child?

Won't you do the same for a child in need right in your own backyard?

Contact Help One Child to learn how you can help a child or family in your area.
